MEMORANDUM FOR THE DIRECTOR

1. Mr. Holbrooke (of Katzenbach's office) called Saturday morning to advise that the Undersecretary would like to meet with our Vietnam "group" on Monday to review the situation at Paris and in South Vietnam. This apparently had been mentioned earlier between Mr. Katzenbach and George Carver. Holbrooke suggested 1430 to 1600, and asked that I call his office Monday morning to confirm the time and to provide appropriate directions.

STAT

2. You will recall that Mr. Katzenbach visited us once before (with either Mr. Vance or Mr. Harriman) and sat in on most of the discussion in our Related Activities Center. I would suggest that Messrs. [redacted] attend, in addition to appropriate SAVA Staff. The meeting could be held in your conference room or in our office area.

GEORGE W. ALLEN

Acting Special Assistant for Vietnamese Affairs
